

Alejandro Foxley

Member of the Chilean Senate and Leading Latin American Economist

CSA CELEBRITY SPEAKERS

Alejandro Foxley is a Chilean economist and politician. In 1998 Alejandro was elected a member of the Senate of Chile for Santiago East. In the Senate he was the Chairman of the Finance Committee for four years until he stood down from the Senate in 2006. In March 2006 he was appointed as Foreign Minister. He resigned from this post 3 years later. He served as Minister of Finance from 1990 to 1994 and is regarded as one of the architects of the strong economic growth of the period.

"An expert on Latin American Economics & Politics"

In detail

Alejandro was appointed to the first Chilean cabinet after the restoration of democracy by Patricio Aylwin. As Finance Minister he was also a governor of the Inter-American Development Bank and the World Bank. Following his period as Finance Minister he was elected leader of the Christian Democrat Party in 1994, serving until 1996.

What he offers you

As a leading authority on Latin American political and economic reform, Alejandro has gained world-wide recognition for his expertise and policy making decisions. A brilliant communicator in Spanish and English, Alejandro offers first hand experience and political insight on introducing large scale changes.

How he presents

Author and editor of numerous books on economic development and the problems of democracy, Alejandro is an articulate speaker with great insight and offers an insider's view on implementing economic changes on a large scale.
