In detail

He has also branched into publishing with a company he shares with Gary and Nathan from the band - Polar Patrol Publishing. Polar Patrol is a pro-active music publishing service for songwriters, artists and musicians set up by Jonny, Nathan and Gary from Snow Patrol. Their small team offers a hands-on approach to publishing with the aim of nurturing new song writing talent and artist development. Polar Patrol does not restrict its roster to any particular genre, as Jonny explains "there is no agenda - if it's good enough and we believe in it 110%, we will sign it." Polar Publishing are going from strength-to-strength presenting, amongst others, songs from Ed Sheeran, One Direction, Example, Rudimental, Snow Patrol, Belle and Sebastian and Kodaline.
